

*****FOR IMMEDIATE RELEASE*****

Tree Sale at Pony Village Mall Saturday March 13

The Coos Watershed Association (CoosWA) and the Coos County Weed Board will be selling native trees and shrubs at the Pony Village Mall on Saturday March 13 from 10 to 1pm in conjunction with the Small Woodlands Association tree sale. Anyone who purchases ten or more trees will be donating half of their money to help sustain the CoosWA nursery and the other half to help give the Weed Board a much-needed boost so that it can assist and educate local landowners about invasive weed control. Trees will be on-site and available for purchase. Orders over 50 trees will receive a 25% discount. To pre-order trees contact Tyler Pedersen at tpedersen@cooswatershed.org or by phone at 541-888-5922. Someone will be on hand to answer questions about weed control and prevention. A donation/sign-up for Friends of the Coos Watershed will also be set up and staffed by an Americorps volunteer. The Coos Watershed Association and the Coos County Weed Board are local 501(c)(3) organizations.

The following trees will be available for purchase:

Conifers: Grand Fir, Sitka Spruce, Western Hemlock, Western Red Cedar, Port Orford White Cedar and Redwood (all bare root or plug stock).

Hardwoods: Pacific Crabapple, Cascara and Pacific Ninebark (1-gallon containers & bare root).

Shrubs: Yellow Currant (1-gallon container)

The Grand Fir, Sitka Spruce, Western Hemlock and Pacific Crabapple have had two seasons of growth in the nursery and are between 18 to 24 inches tall (~2 feet).

Sitka Spruce and Western Red Cedar bare root healed in at the CoosWA Nursery at the Matson Creek Wetland.
